Initial eligibility is determined by income, assets, citizenship (or eligible immigration status), and various other factors asked within this application. While initial suitability is determined by whether any member of the household has been convicted of manufacturing or producing methamphetamines, or a member of the household is subject to lifetime sex offender registration.

Eligible applicants are added to the appropriate waiting list based on local preferences and date and time submission of complete application. You will be notified by mail which waiting lists your application is eligible for or to inform you of the reason your application has been rejected.

It is important to understand that being added to the waiting list is **not approval for housing**. It simply means the applicant is eligible to be on a waiting list pending FINAL APPROVAL at a later date.

FINAL APPROVAL will be determined when you reach the top of the waiting list and there is an upcoming vacancy. The Village of Canton Housing Authority will then contact you to complete additional forms and provide updated and additional information which is mandated by the US Department of Housing and Urban Development (HUD).

HUD mandates that all applicants

furnish original social security cards and original birth certificates for all family members. The Canton Housing Authority also runs credit and criminal background checks on all household members 18 and over.

## Visitor/Guest Policy

The Village of Canton Housing Authority's (VCHA) Policy states that no person(s) other than those listed on the lease shall live/stay in the unit other than on a temporary basis, and/or not exceeding 14 days or 45 days (consecutive or not) within any calendar year. This is to ensure that the Total Tenant Payment is accurately based on the total monthly income and total household members of that household unit. If this situation should arise during the term of the lease, I agree to contact the VCHA with the additional information and comply with all the terms of the established Visitor/Guest Policy to add the member to the household or have the individual removed from the premises. I realize that failure to do this could result in repayment of rent, termination of lease and/or eviction, lifetime loss of the VCHA program due to fraud, and possible theft and fraud charges under state and federal law.

I understand the above statement. I will not allow any other person to live/stay in the approved unit other than those whose name is on the lease. I agree to notify the VCHA if this should change.

- Section 8 Housing Choice Voucher, including the Disaster Housing Assistance Program (24 CFR 982)
- Section 8 Moderate Rehabilitation (24 CFR 882)
- Project-Based Voucher (24 CFR 983)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

#### **What information about you and your tenancy does HUD collect from the PHA?**

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
3. Whether or not you have defaulted on a repayment agreement; and
4. Whether or not the PHA has obtained a judgment against you; and
5. Whether or not you have filed for bankruptcy; and

**Who will have access to the information collected?**

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

**How will this information be used?**

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

**How long is the debt owed and termination information maintained in EIV?**

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date or such other period consistent with State Law.

**What are my rights?**

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

**What do I do if I dispute the debt or termination information reported about me?**

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record. Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.

## Instructions for the Race and Ethnic Data Reporting form (HUD-27061)

### A. General Instructions:

This form is intended to be used by two categories of respondents: (1) applicants requesting funding from the Department of Housing and Urban Development (HUD); and (2) organizations who receive HUD Federal financial assistance that are required to report race and ethnic information.

In compliance with OMB direction to revise the standards for collection of racial data, HUD has revised its standards as depicted on this form. The revised standards are designed to acknowledge the growing diversity of the U.S. population. Using the revised standards, HUD offers organizations that are responding to HUD data requests for racial information, the option of selecting one or more of nine racial categories to identify the racial demographics of the individuals and/or the communities they serve or are proposing to serve. HUD's collection of racial data treats ethnicity as a separate category from race and has changed the terminology for certain racial and ethnic groups from the way it has been requested in the past using two distinct ethnic categories. The revised definitions of ethnicity and race have been standardized across the Federal government and are provided below.

1. The two ethnic categories as revised by the Office of Management and Budget (OMB) are defined below.

**Hispanic or Latino.** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term "Spanish origin" can be used in addition to "Hispanic" or "Latino."

**Not Hispanic or Latino.** A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

2. The five racial categories as revised by the Office of Management and Budget are defined below:

**American Indian or Alaska Native.** A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

**Asian.** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

**Black or African American.** A person having origins in any of the black racial groups of Africa. A term such as "Haitian" can be used in addition to "Black" or "African American."

**Native Hawaiian or Other Pacific Islander.** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

**White.** A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

**Note:** The information required to be reported may be collected and submitted to HUD via the use of this form or by other means, such as summary reports or via electronic reporting mechanisms. The primary goal to be achieved is the provision of the summary racial and ethnic data of the population(s) proposed to be served or that is being served by your organization in a consistent manner across all HUD programs.

### B. Specific Instructions for Completing the Form:

Organizations using this form should collect the individual responses from the community of individuals you intend to serve or those that you are serving, as applicable. After the individual collections are gathered, you should report (via this form or by the use of other means such as electronic reports that provide the summary data required by this form) the aggregate totals of the racial and ethnic data that you collect via the applicable categories as described below:

**Total Number of Racial Responses:** Under this column you should indicate the total number of responses collected in the blocks next to the applicable categories.

**Total Number of Hispanic or Latino Responses:** Under this column you should indicate the total number of responses collected in the blocks next to the applicable racial categories (e.g., you would enter the total number of Asian respondents that indicated they are Hispanic or Latino). When collecting this information from beneficiaries of the Federal financial assistance all respondents should be required to indicate their ethnic category, which requires either a “yes” or “no” response.

**Other Multiple Race Combinations:** Next to this racial category, indicate all racial categories (if any) identified by respondents that do not fit one of the five single race categories or four double race combinations above, and which have a total count that exceeds one percent of the total population being reported. You must identify each such racial combination, including the actual count, the percentage of the total population (in parenthesis), and the actual Hispanic or Latino count.

For example, if you obtain data that indicates that the total population being served is 200 and includes 10 Native Hawaiian or Other Pacific Islander *and* White and 12 Native Hawaiian or Other Pacific Islander *and* Asian, and those numbers (of Native Hawaiian or Other Pacific Islander *and* White and Native Hawaiian or Other Pacific Islander *and* Asian) each equates to more than one percent of the total population being served, and 2 of the Native Hawaiian or Other Pacific Islander *and* White indicate they belong to the Hispanic/Latino ethnic category and 3 of the Native Hawaiian or Other Pacific Islander *and* Asian indicate they belong to the Hispanic/Latino ethnic category, you should complete the form as follows:

Racial Categories	Total Number of Race Responses	Total Number of Hispanic or Latino Responses
* Other multiple race combinations: [Per the form instruction, write in a description using the box on the right]	Native Hawaiian or Other Pacific Islander AND White 10 (5%)  Native Hawaiian or Other Pacific Islander AND Asian 12 (6%)	2       3

How the percentage should be applied will vary by program depending on whether the program is required to provide data on the total community, or on the beneficiaries/individuals that are being served or that are proposed to be served.

**Balance of individuals reporting more than one race:** This block is intended to capture the balance of any racial categories that are not included in the list of nine above and are not included under “**Other multiple race combinations greater than one percent.**” Indicate the total number of all racial categories reported that do not fit the nine racial categories above, and do not equate to one percent of the total population being reported. Be sure to also indicate the total number of all related Hispanic or Latino responses.

**Total:** On the last row of the form you should indicate the aggregate totals of all the information you have gathered including the total of all racial categories and the total of all the Hispanic or Latino categories.

This law requires that you sign a consent form authorizing: (1) HUD and the Housing Agency/Authority (HA) to request verification of salary and wages from current or previous employers; (2) HUD and the HA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; (3) HUD to request certain tax return information from the U.S. Social Security Administration and the U.S. Internal Revenue Service. The HA is also required to protect the income information it obtains in accordance with any applicable State privacy law. - 2. Form HUD-9887 (to be signed by the Applicant or Tenant)**

- 4. Relevant Verifications (to be signed by the Applicant or Tenant)**

---

Each household must receive a copy of the 9887/A Fact Sheet, form HUD-9887, and form HUD-9887-A.

## Verification of Information Provided by Applicants and Tenants of Assisted Housing

### What Verification Involves

To receive housing assistance, applicants and tenants who are at least 18 years of age and each family head, spouse, or co-head regardless of age must provide the owner or management agent (O/A) or public housing agency (PHA) with certain information specified by the U.S. Department of Housing and Urban Development (HUD).

To make sure that the assistance is used properly, Federal laws require that the information you provide be verified. This information is verified in two ways:

1. HUD, O/As, and PHAs may verify the information you provide by checking with the records kept by certain public agencies (e.g., Social Security Administration (SSA), State agency that keeps wage and unemployment compensation claim information, and the Department of Health and Human Services' (HHS) National Directory of New Hires (NDNH) database that stores wage, new hires, and unemployment compensation). HUD (only) may verify information covered in your tax returns from the U.S. Internal Revenue Service (IRS). You give your consent to the release of this information by signing form HUD-9887. Only HUD, O/As, and PHAs can receive information authorized by this form.
2. The O/A must verify the information that is used to determine your eligibility and the amount of rent you pay. You give your consent to the release of this information by signing the form HUD-9887, the form HUD-9887-A, and the individual verification and consent forms that apply to you. Federal laws limit the kinds of information the O/A can receive about you. The amount of income you receive helps to determine the amount of rent you will pay. The O/A will verify all of the sources of income that you report. There are certain allowances that reduce the income used in determining tenant rents.

**Example:** Mrs. Anderson is 62 years old. Her age qualifies her for a medical allowance. Her annual income will be adjusted because of this allowance. Because Mrs. Anderson's medical expenses will help determine the amount of rent she pays, the O/A is required to verify any medical expenses that she reports.

**Example:** Mr. Harris does not qualify for the medical allowance because he is not at least 62 years of age and he is not handicapped or disabled. Because he is not eligible for the medical allowance, the amount of his medical expenses does not change the amount of rent he pays. Therefore, the O/A cannot ask Mr. Harris anything about his medical expenses and cannot verify with a third party about any medical expenses he has.

### Customer Protections

Information received by HUD is protected by the Federal Privacy Act. Information received by the O/A or the PHA is subject to State privacy laws. Employees of HUD, the O/A, and the PHA are subject to penalties for using these consent forms improperly. You do not have to sign the form HUD-9887, the form HUD-9887-A, or the individual verification consent forms when they are given to you at your certification or recertification interview. You may take them home with you to read or to discuss with a third party of your choice. The O/A will give you another date when you can return to sign these forms.

If you cannot read and/or sign a consent form due to a disability, the O/A shall make a reasonable accommodation in accordance with Section 504 of the Rehabilitation Act of 1973. Such accommodations may include: home visits when the applicant's or tenant's disability prevents him/her from coming to the office to complete the forms; the applicant or tenant authorizing another person to sign on his/her behalf; and for persons with visual impairments, accommodations may include providing the forms in large script or braille or providing readers.

If an adult member of your household, due to extenuating circumstances, is unable to sign the form HUD-9887 or the individual verification forms on time, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

The O/A must tell you, or a third party which you choose, of the findings made as a result of the O/A verifications authorized by your consent. The O/A must give you the opportunity to contest such findings in accordance with HUD Handbook 4350.3 Rev. 1. However, for information received under the form HUD-9887 or form HUD-9887-A, HUD, the O/A, or the PHA, may inform you of these findings.

O/As must keep tenant files in a location that ensures confidentiality. Any employee of the O/A who fails to keep tenant information confidential is subject to the enforcement provisions of the State Privacy Act and is subject to enforcement actions by HUD. Also, any applicant or tenant affected by negligent disclosure or improper use of information may bring civil action for damages, and seek other relief, as may be appropriate, against the employee.

HUD-9887/A requires the O/A to give each household a copy of the Fact Sheet, and forms HUD-9887, HUD-9887-A along with appropriate individual consent forms. The package you will receive will include the following documents:

1. **HUD-9887/A Fact Sheet:** Describes the requirement to verify information provided by individuals who apply for housing assistance. This fact sheet also describes consumer protections under the verification process.
2. **Form HUD-9887:** Allows the release of information between government agencies.
3. **Form HUD-9887-A:** Describes the requirement of third party verification along with consumer protections.
4. **Individual verification consents:** Used to verify the relevant information provided by applicants/tenants to determine their eligibility and level of benefits.

### Consequences for Not Signing the Consent Forms

If you fail to sign the form HUD-9887, the form HUD-9887-A, or the individual verification forms, this may result in your assistance being denied (for applicants) or your assistance being terminated (for tenants). See further explanation on the forms HUD-9887 and 9887-A.

If you are an applicant and are denied assistance for this reason, the O/A must notify you of the reason for your rejection and give you an opportunity to appeal the decision.

If you are a tenant and your assistance is terminated for this reason, the O/A must follow the procedures set out in the Lease. This includes the opportunity for you to meet with the O/A.

## Authority for Requiring Applicant's/Tenant's Consent to the Release of Information

Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992. This law is found at 42 U.S.C. 3544.

In part, this law requires you to sign a consent form authorizing the Owner to request current or previous employers to verify salary and wage information pertinent to your eligibility or level of benefits.

In addition, HUD regulations (24 CFR 5.659, Family Information and Verification) require as a condition of receiving housing assistance that you must sign a HUD-approved release and consent authorizing any depository or private source of income to furnish such information that is necessary in determining your eligibility or level of benefits. This includes information that you have provided which will affect the amount of rent you pay. The information includes income and assets, such as salary, welfare benefits, and interest earned on savings accounts. They also include certain adjustments to your income, such as the allowances for dependents and for households whose heads or spouses are elderly handicapped, or disabled; and allowances for child care expenses, medical expenses, and handicap assistance expenses.

## Purpose of Requiring Consent to the Release of Information

In signing this consent form, you are authorizing the Owner of the housing project to which you are applying for assistance to request information from a third party about you. HUD requires the housing owner to verify all of the information you provide that affects your eligibility and level of benefits to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct levels. Upon the request of the HUD office or the PHA (as Contract Administrator), the housing Owner may provide HUD or the PHA with the information you have submitted and the information the Owner receives under this consent.

## Uses of Information to be Obtained

The individual listed on the verification form may request and receive the information requested by the verification, subject to the limitations of this form. HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The Owner and the PHA are also required to protect the income information they obtain in accordance with any applicable state privacy law. Should the Owner receive information from a third party that is inconsistent with the information you have provided, the Owner is required to notify you in writing identifying the information believed to be incorrect. If this should occur, you will have the opportunity to meet with the Owner to discuss any discrepancies.

## Who Must Sign the Consent Form

Each member of your household who is at least 18 years of age, and each family head, spouse or co-head, regardless of age must sign the relevant consent forms at the initial certification, at each recertification and at each interim certification, if applicable. In addition, when new adult members join the household and when members of the household become 18 years of age they must also sign the relevant consent forms.

Persons who apply for or receive assistance under the following programs must sign the relevant consent forms:

Rental Assistance Program (RAP)  
Rent Supplement  
Section 8 Housing Assistance Payments Programs (administered by the Office of Housing)  
Section 202  
Sections 202 and 811 PRAC  
Section 202/162 PAC  
Section 221(d)(3) Below Market Interest Rate  
Section 236  
HOPE 2 Home Ownership of Multifamily Units

**Failure to Sign the Consent Form**

Failure to sign any required consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the O/A must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the O/A must follow the procedures set out in the lease.

**Conditions**

No action can be taken to terminate, deny, suspend or reduce the assistance your household receives based on information obtained about you under this consent until the O/A has independently 1) verified the information you have provided with respect to your eligibility and level of benefits and 2) with respect to income (including both earned and unearned income), the O/A has verified whether you actually have (or had) access to such income for your own use, and verified the period or periods when, or with respect to which you actually received such income, wages, or benefits.

A photocopy of the signed consent may be used to request the information authorized by your signature on the individual consent forms. This would occur if the O/A does not have another individual verification consent with an original signature and the O/A is required to send out another request for verification (for example, the third party fails to respond). If this happens, the O/A may attach a photocopy of this consent to a photocopy of the individual verification form that you sign. To avoid the use of photocopies, the O/A and the individual may agree to sign more than one consent for each type of verification that is needed. The O/A shall inform you, or a third party which you designate, of the findings made on the basis of information verified under this consent and shall give you an opportunity to contest such findings in accordance with Handbook 4350.3 Rev. 1.

The O/A must provide you with information obtained under this consent in accordance with State privacy laws.

If a member of the household who is required to sign the consent forms is unable to sign the required forms on time, due to extenuating circum-

stances, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

Individual consents to the release of information expire 15 months after they are signed. The O/A may use these individual consent forms during the 120 days preceding the certification period. The O/A may also use these forms during the certification period, but only in cases where the O/A receives information indicating that the information you have provided may be incorrect. Other uses are prohibited.

The O/A may not make inquiries into information that is older than 12 months unless he/she has received inconsistent information and has reason to believe that the information that you have supplied is incorrect. If this occurs, the O/A may obtain information within the last 5 years when you have received assistance.
